Editor's Note

This index to Volume XXVII, April 1947 through March 1948, of the MILITARY REVIEW, is divided into three parts for the convenience of the reader.

Part I, a Title Index, includes an alphabetical index of the titles of all articles printed in the main section of the magazine, and of all articles printed in the section of *Foreign Military Digests.*

Part II, a Subject Index, is an alphabetical index by subject, with appropriate cross-references, of all articles printed in the main section, the section on *Military Notes Around the World,* and the section on *Foreign Military Digests.*

Part III, an Author Index, is an alphabetical index of the authors of articles which have been printed in the main and *Foreign Military Digests* sections.

The symbols (MN) and (FD) refer to articles appearing in the sections on *Military Notes Around the World,* and *Foreign Military Digests,* respectively. References which appear without a symbol are to articles appearing in the main section of the magazine.
